

The Bridge House Program is the primary program of New England Aftercare Ministries, Inc. (NEAM), which was incorporated in 1984 and opened its doors in 1987 to help men (18 and over) recover from the effects of alcohol and drug abuse. Men enter our program from prison, county jails, courts, detox centers and the streets as the life of an addict is simply put — messy. We offer hope and a path to reconciliation.

PRAY FOR:

- ◇ The new treatment model at The Bridge House where empathy and listening takes precedence.
- ◇ For the men in the program to hear and follow the heart of God through this new model.
- ◇ For grace and wisdom for the staff as they lead these men toward reconciliation with God and their community.

WELCOME!

Thank you for visiting Vineyard Metrowest!

We believe the best is yet to come. When thinking about our lives, we know God's plans are beyond our imagination. When thinking about Vineyard Metrowest, we know the Lord is always doing a new thing to glorify His Son. When thinking about our region, we know God's purposes have just begun!

It is our joy to meet you because we know that each visitor is part of something new God is doing in our midst. If you are in a season when you need encouragement, we are here to serve you. If you are in a season to share with others, we look forward to serving with you. Wherever you are at, we hope to hear the story God is writing in your life and create a few chapters together.

We hope you noticed our distinctive, "it's all about love." We want to make loving God our main passion and loving others our main pursuit. One of our highlights for 2012 will be our "Follow the Heart" worship nights. On the first Saturday night of each month, we will seek God for a special theme for a night of worship. Plan to be with us Saturday, February 4th at 6:00 PM for our next worship night.

One way we will love others this year is through our Adventure Group. Every month, we will head out for a night of adventure with the Lord. We will visit rehabilitation centers and pray for the sick, we will join Framingham State Christian Fellowship in their outreach events, and we will go downtown and give away the love of the Lord. See me after the service or send me an email to greg@vineyardmetrowest.org to find out about our next adventure!

May the Lord enrich our journey together,

Greg Hopwood

YOUR INVITED!

Saturday, March 3, 9AM

Question, Persuade, Refer (QPR)

Seminar Description: This evidence-based training takes 1 hour, and is for gatekeepers to learn how to help someone who might be considering suicide. The gatekeepers in this instance are people who, during the regular course of their lives, have contact with a certain population who might be at risk for suicide. QPR teaches how to recognize the warning signs, clues, and suicidal communications of people in trouble so they can act vigorously to prevent a possible tragedy. It is modeled after CPR: spend an hour and learn how to save a life.

Audience: All members of a community can benefit from this training, including neighbors, colleagues, family members, and others. The workshop can be tailored for specific groups like coaches, first responders, clergy, teachers, etc.

Join In On The Conversation

Church membership is a topic of conversation and collaboration for 2012. We invite you to join in on this discussion after the QPR seminar.
